

Forming WHWB-US Student Chapters

Forming Student Chapters are part of WHWB-US Strategic Framework. One of our missions is to mentor and help develop the next generation of occupational health professionals and utilize their skills and passion to help underserved worker populations within the United States and abroad.

Requirements for Forming a Student Chapter

1. Letter of intent signed by a faculty sponsor and the student leader/ initiator of the process including agreeing to abide by the WHWB-US vision, mission and focus.
2. Student chapters are asked to send biannual (2x per year) updates of their members or chapter's activities including accomplishments and or give video or in person presentations.
3. Each Individual student membership dues are set at \$10.00 per year to be paid to WHWB-US.
4. Student chapters are to help with fundraising activities for themselves and WHWB-US.

In return WHWB-US offers:

1. Memo of Understanding officially acknowledging the Student Chapter
2. Representation within WHWB-US via Student Chapter Council
3. Access to student travel grants or matching funds for conferences or research projects.
4. Mentoring
5. Networking opportunities to help find internships or employment.
6. Participation or possibility to run WHWB-US sponsored projects
7. Participation in committees or run for leadership positions within WHWB-US.
8. Membership within WHWB (International).
